RADIOLOGIC SCIENCES
BSRS ORIENTATION

Following are some highlights of importance to our distance students (Students can click on any blue underlined item to be taken to that webpage)
Please click on the slide to move forward through the orientation
About MSU

Midwestern State University is a public coeducational institution. It was founded in 1922 as Wichita Falls Junior College. It became a four year college called Hardin College in 1946. In 1975, we became Midwestern State University.

**MSU Traditions**

**Colors**

Maroon & Gold

**Mascot**

Mustangs (formerly Indians)

**The MSU Tower - MSU’s landmark**

The bells in the tower play familiar tunes to mark special occasions.

**The Sunwatcher**

This statue of a South Plains Indian by Jack Stephens exemplifies the progressive spirit of the university. MSU has been adopted by the Kiowa Tribe.
Radiologic Sciences Programs Overview

• All Radiologic Science programs are accredited through MSU's institutional accreditation with the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).

• **Bachelor of Science in Radiologic Technology**
  – Started in 1972 as an Associate of Applied Science in Radiologic Science & transitioned to the BSRT in 2014
  – JRCERT accredited
  – Affiliated with over 20 health care facilities throughout Texas and Oklahoma
  – Maximum class size - 60 students
Radiologic Sciences Programs Overview Con’t

- Bachelor of Science in Radiologic Sciences
  - Past:
    - Started in 1974 as an independent study program
    - Printed course materials
      - Videotape supplements
      - Interactive television sessions
    - Utilized mail & telephone
      - Long lag-time for feedback on tests
    - Students were required to come on-campus for final exams
    - Limited course selection
  - Present:
    - Internet delivery of course materials
      - Downloadable files
      - Interactive web-based
    - E-mail, telephone, discussion boards & chat.
    - Students take proctored online final examinations anywhere with Internet access (webcam & fee required).
    - Specialty tracks available, many of which will help you prepare for advanced certifications
Radiologic Sciences Programs Overview Con’t

- **Master of Science in Radiologic Sciences**
  - Started in 1994
  - Majors in:
    - Radiologic Administration
    - Radiologic Education
    - Radiologist Assistant
  - Two intensive on-campus weekends for the first three long semesters (6 total). RA students are required to complete more on-campus sessions including summer terms.
University Services

• **Dean of Students**
  – Administers the Code of Student Conduct.
  – Coordinates student withdrawals from the university (If you drop all of your courses).
  – Provides assistance to students involved in an accident or who are seriously ill.
  – Toll-free phone #: 1-888-854-3494

• **Vinson Health Center**
  – Maintains immunization records & clears students for enrollment in those courses considered to have a “clinical” component.
  – Students enrolled in such courses that are in “non-compliance” will be withdrawn from the course.

• **Moffett Library**
  – Online catalog of holdings available via the Internet.
  – Access to numerous online databases (many require connecting through the university’s portal (my.mwsu.edu)).
University Services Con’t

• **Financial Aid/Scholarships**
  – Contact the Financial Aid Office and the Program Chair if you wish to be considered for financial aid.

• **Veterans Benefits**
  – This program qualifies for veteran's benefits. If you are a veteran, contact the MSU Office of Veterans Affairs.

• **Business Office**
  – It is the student’s responsibility to correct or change his or her billing address with the Business Office. All payments are due in accordance with university payment schedules regardless of postal errors.
  – Contact the Business Office for any questions concerning tuition, fees, payment information, or charges to your account.
  – Payment of Fees
    • Complete information on payment options can be found at [http://www.mwsu.edu/busoffice/fee-payment](http://www.mwsu.edu/busoffice/fee-payment).

• **Textbooks**
  – The Bookstore carries:
    • Spirit merchandise (mugs, tee-shirts, etc.),
    • School supplies,
    • Computer software (educational discounts of 20-60%),
    • Textbooks.
    • Items can be purchased online and shipped to you.
The BSRS Degree Plan

• The BSRS degree requires the following:
  • 120 semester hours of non-remedial college course work
    – 30 semester hours must be taken from MSU (residency requirement)
    – 33 semester hours must be advanced (Jr./Sr.-level). Here at MSU, this is any 3000-4000 level course
      • Both of these requirements can be satisfied by enrolling in our distance education courses
  • The 120 semester hour degree plan is broken down into two (2) distinct sections:

<table>
<thead>
<tr>
<th></th>

<tr>
<td>TOTAL</td>
<td>120</td>
<td>33*</td>
</tr>
</tbody>
</table>

* Includes additional credits for internship or research components
The BSRS Degree Plan- Major Courses

- Major - 78 semester hours
  - 42 sem. hrs. credit for your initial training – These credits are awarded for one of the three accepted (ARRT, NMTCB, or ARDMS) certifications. You must be in good-standing when the hours are awarded
  - 33 sem. hrs. of advanced-level radiologic sciences courses taken from us:
    - Major Core – 3 sem. hrs. of Statistics or Data Analysis. This can be transferred in and can be at any level (freshman-senior).
    - Professional Core - 21 sem. hrs., everyone must complete these 7 courses. RADS 4913, Applied Research, is a capstone course and should be taken in your last or next to last semester. RADS 3503 (not offered in the summer term), Research, should be taken the semester immediately preceding Applied Research.
      - ACADEMIC ADVISOR’S TIP: Be sure that you enroll in RADS 4913 during early registration. If you wait for regular registration, this course will be full & no overrides will be granted.
    - Professional Electives or Track courses - 12 sem. hrs., select any 4 courses or complete the desired track courses. Tracks are available for CT, MRI, Mammography, Quality Management, Education, and Administration. Some courses may be sequenced so check with your advisor. Not every course is offered every term.
The BSRS Degree Plan - Basic Core

**Basic Core** – 42 semester hours completed at a college or university near you and transferred to MSU or complete them on-line from MSU. You may already have many of these. Your transcripts will be evaluated on a course-by-course basis by our Registrar's Office to determine which courses will be accepted in-transfer by MSU. Confirm with your advisor that your courses will transfer before enrolling in them. The Basic Core is broken down as follows:

- **Government & Political Science** - 6 semester hours
  - POLS 1333 American Government - must be taken from a Texas institution.
  - POLS 1433 American Government

- **Communication** - 6 semester hours
  - 3 hours of academic writing and research
    - ENGL 1103 Intro to Communication
    - ENGL 1123 Rhetoric & Composition (TCCN: ENGL 1302)
    - ENGL 1143 Academic Research & Writing¹
  - 3 hours from the following list of options
    - ENGL 1153 Intro to Reading & Writing about Literature
    - ENGL 2123 Rhetoric, Visuals, and Infographics
    - ENGL 2203 Intro to Professional Writing¹
    - MCOM 1243 Media Writing and Reporting
    - MCOM 2403 Social Media
    - SPCH 1103 Intro to Communication
    - SPCH 1133 Fund. of Speech Communication
    - SPCH 2423 Interpersonal Communication

- **American History** - 6 semester hours
  - HIST 1133 Survey of American History to 1865 (TCCN: HIST 1301)
  - HIST 1233 Survey of American History since 1865 (TCCN: HIST 1302)

- **Mathematics** - 3 semester hours
  - MATH 1053 Contemporary Mathematics (TCCN: MATH 1332)
  - MATH 1203 Mathematical Analysis for Business (TCCN: MATH 1324)
  - MATH 1233 College Algebra (TCCN: MATH 1314)
  - MATH 1534 Precalculus (TCCN: MATH 2412)
  - MATH 1634 Calculus I (TCCN: MATH 2413)

TCCN = Texas Common Course Number

Subtotal: 42

TCCN = Texas Common Course Number
ADDITIONAL DEGREE REQUIREMENTS:

• All students are **required** to take the Writing Proficiency Exam.
  – Students are required to take this exam after completing 60 hours and prior to completion of their 90th hour. A registration hold will be placed on the record of any student who has not passed the Writing Proficiency Examination or ENGL 2113 by the end of the semester in which he or she completes 90 semester credit hours and they will **NOT** be permitted to enroll until this requirement is met. Students failing this exam will be required to take ENGL 2113, Composition Skills.
  – For complete information, visit the [Writing Proficiency Exam](#) web page

• Students are **required** to have 12 credit hours under a catalog to be permitted to graduate under that catalog’s requirements.
  – Catalogs span 2 years and are valid for 6 years from the middle (odd-numbered) year.
    • Example: The 2014-2016 catalog is valid until Aug. 31, 2021.
    • Students wishing to graduate must do so prior to the above expiration date.
Registering for Classes

- **Internet (via the MSU portal system – my.mwsu.edu)**
  - Contact your academic advisor on the acceptance letter. Most prefer e-mail. Be sure to include your full name and MSU Id number (M-number).
  - Request that the advising hold be removed (this needs to be done every semester).
  - **ACADEMIC ADVISOR’S TIP:** For your first registration at Midwestern, we will enroll you in two courses to ensure you will have a course to take. We hold two courses for new BSRS students. You might not see this course on active registration list in your WebWorld, but you will be enrolled.
  - For subsequent terms, assuming you are currently enrolled at MSU, you will be eligible to participate in early registration for the upcoming term and you are encouraged to do so as our courses fill quickly.
  - Please go to [my.mwsu.edu](http://my.mwsu.edu) if you would like to register for other courses. To log into the portal (my.mwsu.edu):
    - Your login is your first initial + middle initial + 12 characters of last name + #### (where #### is the first four numbers in your birthdate). EX: Joseph B. Smithson (born 12/5/1995) = jbsmithson1205
    - Your password is your MSU Id number with an exclamation mark (!) at the end. EX: M123456!
  - Once logged in click the link
  - If you do not register for a fall or spring semester, you will be required to apply for readmission to both the university and the program. This is not necessary if you sit out the summer term.
Your Courses at MSU

• Your courses will be offered via the Internet with the *Desire2Learn (D2L)* learning system which is also accessed from the portal by clicking the [D2L](#) link.

• Most courses will use a textbook (please check the [MSU bookstore](#) for textbooks required for your courses)

• Your internet courses will supply supplemental course materials within the course, referred to as:
  – course content
  – course notes
  – study guide
  – modules

• Your courses may include all or some of the following learning activities:
  – Review activities
  – Discussion boards
  – Dropbox assignments
  – Quizzes, tests, unit exams
  – Proctored final exams – most use an online proctoring service called ProctorU. The cost is based on the length of the exam with most costing $25.00 per exam. You are also required to have a webcam & 2-way audio (headset recommended)
- D2L should be used in either Google Chrome or Mozilla Firefox browsers for best results.
Course Communications

- All course communications with students will utilize your MSU e-mail account and/or the D2L e-mail system. This account will be created automatically for you when you register for classes.
- Visit the student email page for instructions on accessing this account.
- You can forward your email from your MSU student email account and your D2L e-mail account to your personal email account if you wish. We highly recommend you do this in order to get all emails from your instructors.

  - To forward your D2L e-mail:
    - Click the down-arrow next to your name found in the top-right corner and select “Account Settings” (highlighted in yellow).
    - Select the E-mail tab
    - Configure your e-mail as you like
    - While you’re in there you can also configure your other account settings & profile. We encourage you to include a tasteful photo of yourself.
Welcome to MSU!!

- **Congratulations** on completing the online orientation for MSU's BSRS Program. If you should have any questions about the program, please call 1(866)575-4305 (toll-free) and ask to speak with your academic advisor.

If an advisor has not yet been assigned to you, one will be assigned to you when you call. Once you have your advisor's name & your Mustangs ID number (M number), [click here to complete the verification form](#).

The completed form will be e-mailed to your advisor so that they will have a record of you completing this orientation.

You will need to contact your advisor to remove your advising hold. Your advising hold will not be removed until your advisor has this form.

Please complete the MSU [Distance Learning Orientation](#) and complete the Distance Education Evaluation at the bottom of the page. The passcode is **1922**
